

CONTACT NORTH | CONTACT NORD COVID-19 OPERATIONAL CONTINUITY PLAN AND REOPENING PLAN

As of Friday, September 16, 2022 - 4:00 p.m.

- As of Friday, September 16, 2022, Contact North | Contact Nord has reopened 69 online learning centres for in-person support.
- Contact North | Contact Nord requires any staff member, who tests positive for COVID-19, to work from home, if they are well enough to work, until such time as they have a negative COVID-19 test result from a rapid antigen test or PCR test. If staff cannot get a test, they should work from home, if they are well enough to work, for a minimum of five days from the onset of any symptoms.
- Staff members who are required to work from home consult with their supervisor to identify any equipment they may need to successfully work from home during this temporary occurrence.
- Contact North | Contact Nord online learning centres are reopening where it is safe to do so and government, health authorities and our hosts allow.
- Contact North | Contact Nord employees must comply with any COVID-19 health and safety requirements established by hosts.

For more details, read Contact North | Contact Nord's COVID-19 Operational Continuity Plan and Reopening Plan below.

It is regularly updated on MyHub with notification to all staff of any changes. All staff have access to MyHub, either at their place of work or remotely.

Continue to regularly check MyHub for updates.

A. CURRENT STATUS

- 1) Contact North | Contact Nord staff should test for COVID-19 if they have [COVID-19 symptoms](#) and if you test positive, Contact North | Contact Nord requires you work from home, if you are well enough to work, until you have a negative test result on a rapid antigen test or a PCR test. There is no need to provide a copy of the negative test result to Contact North | Contact Nord.

Staff members who are required to work from home consult with their supervisor to identify any equipment they may need to successfully work from home during this temporary occurrence

Free Rapid Antigen tests are available throughout Ontario - [find a retailer near you](#).

If you are unable to get a COVID-19 test, staff should work from home, if you are well enough to work, for a minimum of five days from the onset of any

symptoms and should continue to work from home if symptoms persist after five days.

Staff must also follow these guidelines:

- If you have symptoms of any respiratory illness, stay home until symptoms have improved for at least 24 hours.
- If you have a fever, stay home until it's completely gone.
- If you have gastrointestinal symptoms, stay home until symptoms have improved for at least 48 hours.
- After isolating at home, wear a mask in public for 10 days since the onset of symptoms.
- If sick, avoid non-essential visits to vulnerable or older people for a full 10 days starting the day after symptoms appear, including visits to high-risk settings such as long-term care homes and hospitals.
- If you're in the same household as someone who is sick or tested positive for COVID-19, mask in public spaces, even if you feel better, and avoid vulnerable individuals and settings for 10 days after exposure. Isolate immediately if you develop symptoms.

Symptoms of COVID-19 and its variants range from mild — like the flu and other common respiratory infections — to severe. If you feel sick, it's important that you stay home or talk with a doctor if necessary.

Contact North | Contact Nord employees are reminded they must continue to comply with any COVID-19 health and safety requirements established by our local partners who host our online learning centres, local public health units and all Government of Ontario guidelines for masks, self-isolation and physical distancing.

2) Online Learning Centre Requirements

- Hand sanitizer is available at the entrance, on staff desks and within reach of student locations
- At least two barriers (pull-up or Plexiglas or a combination) are available at each online learning centre if clients are anxious
- Masks are encouraged but not required unless a local public health unit or host mandate mask usage.
- Mask signage is posted at each online learning centre (click the links to download the posters from MyHub for printing):
 - [Masks are mandatory](#)
 - [Masks are encouraged, not required](#)
 - [Masks are welcome, not required](#)

B. TOP PRIORITY

Contact North | Contact Nord's top priority is the health, safety and well-being of its employees and clients visiting its online learning centres.

C. BUSINESS TRAVEL PERMITTED

Guidelines

Contact North | Contact Nord staff may travel for necessary business-related purposes, that cannot be reasonably conducted virtually, including meetings with external stakeholders/partners and clients outside of the online learning centres.

The following guidelines apply based on the nature of the travel.

Meetings with Stakeholders/Partners

Treat these requests carefully and only agree to meet in person if the meeting cannot reasonably be accommodated through a Zoom session or phone call.

Do not feel pressured to agree to meet face-to-face if you feel your personal health and safety may be at risk. Outline your specific concerns to your supervisor and discuss alternate options.

Follow these three guidelines:

1. Ascertain the stakeholder/partner organization is:
 - a) Open to outside visitors
 - b) Accepting visitors and can provide a safe location to meet
2. Ensure there is a detailed plan for the visit, where you will go within the building, what the space will be like, and any location-specific rules you must observe to minimize risk.
3. Wash your hands upon entry to a location and on exit. If handwashing is not possible, bring personal hand sanitizer for use before entering and after leaving.

Wherever possible, schedule meetings with education and training providers and other stakeholders via audio, Zoom or other virtual means.

Address any questions to your supervisor.

Meetings with Clients/Students Outside an Online Learning Centre

Due to the delayed reopening of some online learning centres, there may be

requests from clients to meet face-to-face at other locations in the community to provide service.

Treat these requests carefully and only agree to meet if the request cannot reasonably be accommodated through a Zoom session, phone call or other virtual means.

Do not feel pressured to agree to meet face-to-face if you feel your personal health and safety may be at risk. Outline your specific concerns to your supervisor and discuss alternate options.

If you do meet face-to-face with a client, follow these five guidelines:

1. Meet in a public location that has the necessary protocols in place. Observe all of the location's protocols.
2. Do not meet in a client's home or your home.
3. Where feasible and practical, meet outdoors.
4. Do not meet with a client if you are not feeling well or have any respiratory symptoms.
5. Wash your hands or use hand sanitizer prior to and after the meeting.

Address any questions or concerns to your supervisor.

D. TRAVEL OUTSIDE OF CANADA

Visit the Government of Canada's [COVID-19 vaccinated travellers entering Canada website](#) for information on returning to Canada.

E. WHAT YOU NEED TO KNOW

According to the Government of Canada, some people are at higher risk of more severe disease or outcomes from COVID-19 infection than others. However, there are a number of vaccines and treatments available.

The risk of getting COVID-19 varies between and within communities. Some settings and activities are also associated with higher risk of COVID-19 transmission.

The government continues to reassess the public health risk based on the best available evidence as the situation evolves.

Visit [COVID-19: Outbreak update - Canada.ca](#) for more information.

F. PROTECTING YOURSELF

The Ontario Ministry of Health lists the following steps to protect your health and reduce exposure to the COVID-19 virus:

- Wash your hands often with soap and water or alcohol-based hand sanitizer
- Sneeze or cough into your sleeve, not your hand
- Avoid touching your eyes, nose and mouth
- Avoid contact with people who are sick
- Stay home if you are sick

G. WHAT HAPPENS IF A STAFF MEMBER MUST GO INTO SELF-QUARANTINE AT HOME?

Contact North | Contact Nord will support staff if they must remain at home:

- a) If the symptoms are mild, a staff member can continue to work from home and receive their regular pay.
- b) If the symptoms are debilitating and staff cannot perform work, full-time staff can draw from accumulated paid sick time. Once accumulated paid sick time is exhausted, Contact North | Contact Nord can issue a Record of Employment (ROE) and the staff member can apply for sickness benefits through Employment Insurance. The Government of Canada recently announced changes to this benefit so employees do not have to wait the mandatory one-week waiting period and can be paid for the first week of their claim.
- c) For part-time staff who are ill and cannot work, Contact North | Contact Nord can issue a Record of Employment (ROE) and the staff member can apply for sick benefits through Employment Insurance.

Supervisors immediately advise HR Services of any staff members who must go into self-quarantine at home. The supervisor and HR Services identify any further actions that may be required, including notification to the local public health unit.

The Government of Canada is providing support to Canadians and businesses facing hardship as a result of COVID-19. Click [here](#) for information on accessing these supports.

H. RESPECT OTHER STAFF MEMBERS CONCERNS

Everyone reacts differently to situations such as the closure of their workplace or the potential exposure to a virus such as COVID-19. Please be mindful and sensitive of this as you interact with your colleagues. Feel free to share any concerns you have with your supervisor or refer to the Employee Assistance Plan, which is available to full-time employees as part of the benefits package.

I. EXECUTIVE CONTINUITY

In the event the President – Chief Executive Officer is unable to fulfill his responsibilities, the Director, IT, Finance & Organizational Planning has delegated authority to make all required corporate decisions.

In the event the Director, IT, Finance & Organizational Planning is unable to assume the President – Chief Executive Officer's responsibilities, the Director, Human Resources Services has delegated authority to make all required corporate decisions.
