

CONTACT NORTH | CONTACT NORD

increases the number of underserved Ontario residents who take online programs and courses from Ontario's colleges, universities, Indigenous institutes, and other providers while remaining in their community.

We recruit and provide free support services to students in 1,500+ communities, in person at locations across the province, or by phone, email, live chat or virtually. Our services are available in English and French.

We help increase access and success for underrepresented learner groups, including:

- Francophone learners
- Indigenous learners
- Unemployed learners
- Learners accessing Ontario Works
- Learners with disabilities
